

Hi everyone -

There was a major problem with the postcards that were sent out to the public to tell them about the Christmas tree pick-up: the date and the phone number are wrong. The phone number listed is disconnected.

IF you want to sign-up to have your Christmas tree picked up, please go to the ramband.com web site and click on the tree (best option) OR call 866-630-5022 (second best option).

ALSO, you can help us out by getting the word out and contacting everyone you know who uses this service and tell them how to sign-up for the pick-up. Many Marching Band alumni and people around town have had their tree picked up for years and we don't want to lose their business.

We apologize for the inconvenience and appreciate your cooperation.
