

Hi Everyone –

This is a follow-up to my previous email to impress upon you the urgency and importance of attending Thursday night's Board of Education meeting. Last week we heard that budget cuts will include the music program, extracurricular activities, and athletics.

We need you to attend this meeting and express how important the Cheshire music program has been to your children. This is not just about Marching Band or any particular program, this pertains to all music programs at all grade levels.

Please show your support and attend the meeting Thurs, Jan 14 at 7:30pm at Dodd Middle School.

Thank you,

John Wonneberger
CHSBPA Secretary
