

***Band Parents:***

Please consider volunteering for the Christmas tree pickup January 8<sup>th</sup>. So far we have 10 adults. We need drivers, people with pickup trucks as well as tree handlers.

Additionally, please feel free to forward the link below to friends in town who may not know of this chance to have their tree removed

***Band Members:***

We need you to print and distribute copies of the attached flyer to friends and neighbors in Cheshire. It would be a great help if each band member made 20-50 copies and distributed these in your neighborhood. The funds raised by this event directly benefit you the band member by paying for instructors and transportation and other band expenses. You don't need to sell anything for this fundraiser – just distribute the flyer. Please do it this week when you have off from school.

Thank you and have a happy New Year
