

The CHS Band Parents' Association presents an end of the year Fiesta, which will help raise money for our wonderful music program. As 2010/2011 comes to a close, come celebrate the accomplishments of our students, meet other families involved with the BPA, either past, present or future!

Attached please find a flyer with all the details for this fun family night out. Please print it and bring it with you on June 14, and Aunt Chilada's will donate 20% of your total bill to the BPA. You must call and either make a reservation for between 5pm and 9pm, or order take-out. Either way, please let them know you're "with the band!"

If you're an alumni, this will be a great time to catch up with your band friends (post it on Facebook!) If you're going to be a freshman next year, come and meet us - and feel free to ask lots of questions. If you're a current student, it's a fun chance to hang out with your band friends once more before summer vacation.

Again, please come - make your reservation now, bring the flyer with you. Thanks for helping to support our talented kids! If you have any questions, please call Alisa Minardi at 203-271-7900.

Hope to see you there!
