

Marching Band Students,

We need your help to create this years show t-shirt!!!! Or if you leave it to the adults, it may look boring!

The 2011 band show is a spy theme called "Undercover". It is about someone who is searching for their identity and running away from adversaries. Check out the graphics/music on a power point on Charms.

Choose: PDF titled CHSMRB 2011 Show Outline -- There is a 10 slide show of "Undercover". Hopefully this will help you create a simple, but thematic t-shirt.

You have until July 20, 2011 to email your thoughts/design to Megan Stuart at: animallover2648@hotmail.com.

If we do not receive anything, then an adult or two will design something (which just may be title and year only) so please don't leave it to the adults.

We would like to have these t-shirts ready to hand out for band camp so get designing and submit to Megan.

Thanks so much,

Travon Zomback and Karen Andes
