

Dear Band Parents,

Our band kicked off the season to a very good start with performances at ESPN and we are on our way to our first official competition next week. As the band travels to these competitions and performances, we need your help as chaperones to support the band during these events. Chaperones are parents or guardians that travel with the band during these events, including truck & pit crew.

In anticipation of next week's competition, we will be holding a Chaperone Orientation on Thursday, September 8, 7:00pm at the Band Room. If you are unable to attend this orientation but would like to help out and travel with the band, please contact Dennis Qunit at 203-510-8312 or via email at dqunit@cox.net.

We look forward to seeing you and working alongside you.

Thank you,

Dennis Qunit & Cliff Perdion
BPA Co-Internal VP
