

Dear Students and Parents-

At this point everyone should have received the names of the companies assigned to them for initial sales of Music in Motion Ads (in an e-blast from Bill Peinhardt). If you have not received your names, please let him know as soon as possible.

If you are looking for **more names** to sell more Ads, please contact him as well.

If you know you will not be trying to sell your Ad, and are just planning on paying the balance of your dues directly, please let us know so we can give someone else those company names.

We are all very busy at this point in the season, but the bottom line is that the money from these Ads pays the cost of putting on Music in Motion. It is critical that we sell as many Ads as possible, very quickly, so we have the funds we need to prepare for this show.

If you are unsure about the ad process or want tips on how to sell them, please contact MICHAEL LONERGAN at mlonergan@snet.net for more information!
