

Calling ALL Bakers!

Dear Parents and Students

Last year's MIM bake sale was the most profitable bake sale I have been a part of in the 3 years I have been a band parent. Thanks to all the terrific parents and students who baked we were able to raise \$750.00 for the band. As all of you donated your time, talent and baked goods this was a 100% profit straight to the BPA and it was very much needed. This year being that we are having our home show in Meriden and incurring more costs than normal, we would really appreciate another strong show of support in baking.

We ask that everything be bagged so you have to be careful with frosting items. Some moms really pulled it off (although I am not that talented) All items will be sold for \$1.00 each. The "Normal" is 3 cookies or two brownies per bag. If you have bigger or smaller items then you decide what amount is good for \$1.00. We have had parents dip pretzels in chocolate, make rice krispy treats, coffee cake, apple muffins, baked breads, every brownie and cookie combination you can come up with and they have all been well received. I have had people ask for gluten free and sugar free items as well and some parents were brave enough to try new recipes in order to fulfill these requests.

I have had one mom offer to help sell items the day of MIM and would appreciate one more person because I would really like the chance to see my Drum Major (Nick) when our kids go on. I know we need a lot of people to pull this show off so if an alumni mom or a sibling would like to help that is fine to. We are lucky in that we get to greet everyone that comes in and sell them great treats and there is no risk of injury other than a sore face from smiling too much!

I will be available for you to drop off baked goods at CHS Saturday morning of the 15th or you are welcome to bring them with you to MIM at Falcon Field.

Please mark all items that have nuts in them or are sugar or gluten free.

Thank-you in advance for all the wonderful baked goods!

Erin Perdion

P.S. We will also be asking for bakers for our train show the Sunday before Thanksgiving and the train show in March.
