

For the folks with ADs. please get them to us so we can start arranging the program.

If you have ADs you know you will not be selling, please contact Bill Peinhardt so he can give those names to someone who will be selling ADs.

If you need more names for ADs, please contact Bill so he can give you names other folks have returned to him.

If you want to approach someone or business for an AD, please contact Bill to make sure no one else is already working on them.
