

I just wanted to clarify that although we will be departing from Dodd, the school buses and the trucks will be returning to CHS. Considering that we might have to drive chaperones back to Dodd after the show to pick up their cars, it is being arranged that one of the buses will drive chaperones to Dodd after dropping the students off at the high school. Alternatively, you can report at CHS no later than 3:00pm and we will coordinate carpooling for whoever needs a ride to Dodd.

Thank you,
Dennis

Rehearsals will be conducted at Dodd Middle School. We will be loading soon after rehearsal at 3:45pm. Please report at Dodd by 3:00-3:15pm. Weather forecast looks like a wet one. No word yet whether we will be performing indoors or not. Please dress appropriately.

If you and/or your roadie planned on attending this weekend's show and were not accounted for on this roster, we have enough room on the busses. Please notify me or the bus leads so we can account for you on the bus.

Remember to wear our band colors, cheer for our band, have fun and enjoy the show.
