

Dear Parents,

Next Saturday, October 8<sup>th</sup>, Bagelicious will be closed so we will not have a lunch from them. We will sell 2 slices of Pop's cheese pizza and a bottle of water or a can of soda for \$5.00 to students at lunch time if they would like. Additional slices of pizza are \$2.00 each. Please write a note with your son/daughter's name, how many slices of pizza they would like, and whether they would like water or soda for lunch. Put the note and money in an envelope and in the forms box NO LATER than before the start of practice on Tuesday night so that I can get the right amount of pizza, soda and water for Saturday. They cannot pay for pizza on Saturday so please order ahead of time. I feel awful when there is not enough because people forgot to place orders so please remember to order in time.

Questions? Email me at [erin@radiatorosary.com](mailto:erin@radiatorosary.com)

Thanks!

Erin

P.S. If a couple people would like to help set up, hand out pizza and drinks and clean up I would be grateful. From start to finish we should be in and out in an hour.
