

Gloves

At the end of each school year marching band students are instructed to remove extra items from their shako boxes in preparation for cleaning and sanitizing.

Items remaining in a shako box, including gloves, are discarded (Note: Soiled, sweaty gloves get moldy when left in the shako box).

If a student's gloves were left in a shako box and if you have not yet ordered new gloves, please fill out the attached form and return it (with a check) to the band room box no later than the first day of the new school year.
