**Form 6  
COLOR GUARD AND DRUM MAJOR  
UNIFORM ASSESSMENT**

The assessment for the 2011 Color Guard and Drum Major uniform is \$125 and is due by August 15, 2011. This assessment will be used to defray the cost of the uniform and equipment, which will be worn for the upcoming competitive season. For Guard Members it does not include the cost of other items of performance wear that may be required such as guard gloves, performance undergarments, shoes/boots, and Show "T" Shirts. The cost of these items will be billed separately.

The Guard Quartermaster(s) will measure each Guard Member for uniform and other performance wear sizes, glove size and shoe/boot size.

**Note on shoes/boots:** Provided the color and style have not changed, returning guard members whose shoes/boots from last season are in good repair may continue to use them. Guard members who require new shoes/boots must see the Quartermaster to order new ones. All guard members should supply their shoe size on this form to be kept on file.
